ARE YOU READY?

WELCOME TO THE CUBE, ONE OF THE
WORLD'S MOST POPULAR TV GAMESHOWS,
BROUGHT TO LIFE IN THE HEART OF
THE MAGNIFICENT MILE.

Get ready for an extraordinary night (or day!) out,
reliving the fun, the tension and the triumphs
in an experience like no other.

21 of the legendary glass boxes, setting the stage
for your ultimate competitive social.

Fancy crispy chicken from Chick Chick Boom,
smashed burgers from Iron Pressed, or handcrafted
pizza from Stretch & Bake? Maybe a selection of
shareable bites from Social Plates?

THE CUBE IS READY. ARE YOU?

WILL YOU DARE TO ENTER THE CUBE?

Played in groups of four, in a two versus two format, THE CUBE will choose seven adrenaline-pumping games out of the 21 available.

You'll be put to the test physically and mentally, and to succeed, you'll need to master skills including balance, speed, judgement and memory.

**THINK YOU'VE GOT THE GAMES FIGURED OUT?
THINK AGAIN.**

With every game the difficulty increases, and so does the pressure.

Win points, do not lose your lives, and maybe you'll join the elite few who can claim they have beaten THE CUBE.

WE'RE NOT JUST ABOUT THE GAMES

WE'RE SERIOUS ABOUT GREAT FOOD TOO. REFUEL YOUR TEAMS WITH ONE OF OUR EPIC BESPOKE PLATTERS.

FREQUENTLY ASKED QUESTIONS

YOU'LL FIND MOST OF OUR FAQs AT WWW.BOOKTHECUBE.COM,
BUT HERE ARE A FEW HANDY ONES TO GET YOU STARTED:

IS THERE ONLY ONE CUBE? AND DO THE SEVEN GAMES WE PLAY GET SWITCHED OUT OF THE SAME CUBE?

No, we've got 21 CUBEs at Chicago.

You'll be allocated a different game for each of your seven games, which could be located anywhere in the venue. The Play THE CUBE App that you will be told about when you check-in to your experience, will explain exactly how it all works.

WILL I PLAY THE CUBE IN THE SAME WAY IF I COME WITH A GROUP OF FOUR, AS I WOULD IF I CAME IN A GROUP OF 20?

Yes – no matter your group size, you'll still take on THE CUBE in the same thrilling two-versus-two format. If you come in a larger group, you'll be split into smaller teams of four, all playing the experience simultaneously. THE CUBE randomly allocates seven games to each team, so while you'll all face the same intense challenges, the exact games may vary between teams.

WHAT IF I COME IN A GROUP THAT DOESN'T HAVE ENOUGH PEOPLE TO MAKE MULTIPLE TEAMS OF FOUR?

THE CUBE is booked per team of two, so we are only able to book in even numbers, but this does not have to be a multiple of four. A team of two can complete the experience trying to achieve the highest score against The CUBE!

DO I NEED TO BRING MY MOBILE PHONE DURING THE EXPERIENCE?

Yes. Each player will need a fully charged smartphone to access The Cube app. The app is used throughout your experience to view game instructions, live scoreboards, upcoming games and other important information.

Think you've got what it takes to beat THE CUBE?
First, you'll need to find us.

THE CUBE Chicago is located at the southeast corner of Rush St. & Ontario St. Enter through the main entrance shared with Marshalls (don't worry, you're in the right place).

HOW TO FIND US:

Once inside, make your way to the 3rd floor via the escalator or elevator.
That's where the challenge begins.

Arriving by rideshare, public transportation, or a nearby parking garage?
Head to the intersection of Rush St. & Ontario St. and look for the Marshalls entrance—it's your first challenge, and fortunately, there are no lives at stake.

Once you're on the 3rd floor, THE CUBE will be hard to miss. Good luck, contestant.
